 WITNESS
 Date:

 In the absence of a living spouse and in the absence of instructions by the decedent, a funeral director or cemetery authority may rely on instruction given by the child or children who represent:
 A.

 A.
 The above are the sole surviving child or children
 B.

 B.
 That they constitute a majority of the surviving children
 C.

 C.
 That they have used reasonable efforts to notify all other surviving children of their instructions and are not aware of any opposition to those instructions on the part of half or more of all surviving children.

 SIGNATURE REQUIRED ON REVERSE

Unless an urn or container suitable for shipment is purchased, the Crematory will place the cremated remains of the Deceased in a container which is not designed for any type of shipment.

In the event the urn or container is insufficient to accommodate all of the cremated remains of the Deceased, any excess cremated remains will be placed in a secondary container and returned the Funeral Home, together with the primary urn or container.

CREMATION STANDARDS ACT, Health and Safety Code 7100-Terminology:

CASKET/ALTERNATIVE CONTAINER:

A crematory, licensed by the Cemetery Board, cannot accept a body for cremation unless that body is human remains in a cremation container. A cremation container is defined to mean a combustible, closed container, resistant to leakage of bodily fluids. Chlorinated plastic pouches can be used for disease control only when necessary. The cremation container shall be labeled with the identity of the decedent.

REFRIGERATION:

A crematory may not hold and unembalmed body for more than 24 hours without refrigeration. If the crematory has refrigeration, then the body must be place in the refrigeration unit within two hours of acceptance.

I/We understand and acknowledge, that even with the exercise of reasonable care and the use of the Crematory's best efforts, it is not possible to recover all particles of the cremated remains of the Deceased, and that some particles may inadvertently become commingled with particles of other cremated remains remaining in the cremation chamber and/or other devices utilized to process the cremated remains. I/We hereby authorize the Crematory to dispose of any such residual particles in any lawful manner it deems appropriate.

Unless I/We give specific written instruction in the Authorization, the cremation, processing, and disposition of the remains of the Deceased will not be performed in accordance with any particularly religious or ethnic customs.

In the event the cremated remains of the Deceased remain unclaimed for a period of 30 days, the Funeral Home shall give written notice to me/us by certified mail at the address(es) indicated below. I/We agree that in the event the cremated remains of the deceased remain unclaimed, for a period of 120 days after the date such written notification is mailed, the Funeral Home is authorized and directed to dispose of the unclaimed cremated remains of the Deceased in any lawful manner it may deem appropriate.

Signature:
